Official Rules:

The following rules are to be adhered to by all cook-off chairman, judges, assistants, etc.

1. Chili is defined as any kind of meat (no wild meats), or combination of meats, cooked with various spices and other ingredients. You may use beans in your chili. No rice or macaroni. If peanuts or peanut oil is used, a warning sign must be displayed.
2. Contestants are responsible for supplying all of their own cooking and serving utensils, equipment, etc. There will be no power! That's right, you need to provide your own. Generators work great or a small camping stove with propane can keep your pot hot!
3. Contestants are permitted to set up their equipment, decorations, and other facilities any time after 7am on the day of the event (April, 9, 2016). Must be taken down by 4pm on the day of the event.
4. Each contestant must abide by health department guidelines, which will be reviewed at the mandatory cooks meeting held 8am on the day of the event.
5. Each contestant must prepare enough chili to hand out samples to **at least 100 attendees, 2oz sample cups will be provided** for teams to distribute samples. (More is recommended for those hoping to win "People's Choice" award).
6. Each team is asked to bring **at least 6 lbs. of chicken wings**, for judging 10 pieces will be required (2 per judge), the remaining wings are to be sold for 50cents each at your tent, whichever team raises the most money will win The Wing Fling Fundraiser Award. (Money bucket is to be turned in by 1pm to Gerard Kwilecki, to be calculated, all money raised is considered a donation to The CCARC Foundation, as this is a fundraising event).
7. The decision of the Judges shall be final. People's Choice awards will be calculated by the People's Choice tally.
8. Each contestant is responsible for policing and cleaning up the area at the end of the day and removing all items from the area. No items shall be allowed to remain after the close of the Cook-off.
